A Word to Gardeners and Farmers

Our stock is selected with the greatest possible care, both to trueness of variety and germination test. And while in common with other seedmen, we cannot guarantee the resulting crop, our customers may rest assured that we will exert every effort to get the most pure and best seed obtainable for our stock. Our nearness to you makes both for the

personal desire to please customers whom we know and often meet, and convenience to you in ordering and quick delivery. We maintain for the entire San Juan Basin a retail service where a welcome awaits you. We invite you to our stores whether you buy or not. Perhaps we can offer some profitable suggestions in going over your gardening or farming problems.

HOLLAND GROWN

Tulips, Jonquils, Crocus, Narcissus, Hyacinths, Peonies
for Fall Planting. See us at planting time.

NITRAGIN

NITRAGIN—Inoculant for Legumes—(New with CXI)

We encourage the inoculation of all legume seeds whether planted on old or new fields. It costs but a few cents per acre to convert legume seeds into fertilizer plants and it's risky to depend on natural inoculation.

(A-B) COMBINATION—Alfalfa, White & Yellow Sweet Clover, Hubam, Red, White, Dutch, Alsike, Ladino, Strawberry and Crimson Clover.

**ARASAN COATED LEGUME & GRASS SEEDS
NOW AVAILABLE**

Thicker stands, stronger growing plants and uniform stands across the field are the benefits from treatment of grass and legume seeds with Du Ponts ARASAN. ARASAN applied with a Calkins Slurry Treater helps assure a good "catch" because it protects the tiny seeds against rot and seedling blight. We will treat with ARASAN for only 2 cents per lb., \$2.00 per hundred. Order your treated Grass & Legume seeds early to avoid delay at planting time.

PASTURE MIXES**HIGHLAND PASTURE MIXTURE**

An excellent mixture for permanent pastures on good fertile, well drained soil. A balanced blend of grasses and legumes that gives top yields. Formulated in cooperation with the Extension Service and the Soil Conservation Service especially for the San Juan Basin.

Sunshine PURE CANADIAN SPHAGNUM PEAT MOSS

the world's finest soil conditioner
SPHAGNUM PEAT MOSS

- holds more water than any other type of peat or peat moss . . . as much as 20 times its weight in water.
- is 98% organic (dry weight basis) — no filler — the highest content of any peat or peat moss.
- has the best acid rating of all peat mosses, ideal for acid loving plants.
- lasts long in soil as an active soil conditioner, conditioning sandy and heavy soils to perfection without constant re-working.

Use Sunshine . . . for the lawn and garden you've always wanted.

Give your lawns, flowers and gardens a treat!

HIGHLAND LAWN & GARDEN FOOD 8-8-4—

Highland Lawn and Garden Food 8-8-4 is an ideal fertilizer for lawns in this area. The 8% Nitrogen content gives a quick and long lasting deep green healthy growth above ground. At the same time the 8% Phosphorus and 4% Potash are balanced to give strong root development and vigor for resistance to disease. The humus provided by the organic base does the necessary job of soil conditioning. Apply at the rate of only 2 lbs. per 100 square ft. in the spring and fall for a beautiful healthy lawn. Highland Lawn and Garden Food is ideal for shrubs, flowers, trees, planter boxes, etc. Complete instruction for the use of every bag. Our **BEST BUY** in Plant Food this year.
